### We Still Think Of Our Caregivers As Close Friends Today

*"I can't say enough about the wonderful staff members with Families Choice Home Care who helped me and my mother (age 89) after my father passed away suddenly early this year. [...] I was so impressed at their professionalism, their ethic of care, their determination to find the right match between us and caregivers, and also to adapt to a pretty crazy work schedule. There were days when we needed a caregiver from 6 a.m. to 10 p.m., and other days when we needed just a half day. Some weeks were different from others. Tim never blinked at any of our schedule requests. He also matched us with two amazing women, Kerry and Mary, whom we still think of as close friends."*
